Charlene -

I checked to see if you received this e-mail and was glad I did. Despite my previous request to Ms. Markovci (410-962-5184), she did not include you as a recipient. When you return to the office, you might want to introduce yourself to her as one of the EPA R3 contacts. I can also assist at this site but she needs to know that you are assigned to this geographic region. Thanks!

- Drew

Subject Media meeting on 9 Jan

Good Afternoon;

As discussed last week, the meeting for the NIKE site will be at the Township office Wednesday, 9 Jan 2008. We would like to meet between 1030 and 1130 in the morning, please advise as to which time would be most convenient.

I will call Mrs. Robertson to confirm, and Mrs. Henry-Chang is unavailable and has requested meeting minutes.

Thanks all and have a great day!!
